For the attention of Mr Frank Frayling

As UK distributors for both SANYO & Blue Box air conditioning products, I can confirm that having visited your facility & carried out extensive research into the quality of services you provide and the advantages of applying the Bronz Glow product, we were happy to move forward applying this product on all required applications.

I can confirm that we have now used Bronz-glow for a number contracts and find that your quality of service and response times underlined by your ISO status ensures that we would have no hesitation in recommending your services.

We trust that the above offers some re-assurance to your future client/s.

Yours Sincerely

Mark Chattwood
